## VARSITY LETTERS IN SOCCER, FOOTBALL AWARDED AT ANNUAL CHRISTMAS DINNER

DR. JOSEPH DANA ALLEN  
Speaker at Christmas Dinner

### GOVERNOR DUMMER BOYS GUESTS AT WALNUT HILL

On Saturday afternoon, December 2, seventy students from Governor Dummer went to Natick, Massachusetts, to attend the annual fall tea dance at the Walnut Hill School.

When the boys arrived, they went immediately to the gymnasium to meet their dates. After dancing from four-thirty to six, supper was served and dancing was resumed in the evening lasting until 8:45. From then until 9:30 there were receptions for the girls and their dates in the dormitories. The students returned to South Byfield by bus.

### *Mr. Herbert E. Pickett Presides at First Dinner in Alumni Gymnasium*

On Friday evening, December 15, the annual Christmas Dinner took place in the new Alumni Gymnasium, with Mr. Herbert E. Pickett of Cooperstown, New York, whose son Bob played on the Governor Dummer football team in 1941 and 1942, acting as toastmaster. The principal speakers of the evening were Mr. Lloyd Jordan, the new head football coach at Harvard, and Dr. J. D. Allen, retired headmaster of Polytechnic Preparatory Country Day School in Brooklyn, New York. Dr. Allen was a teacher at the Nichols School of Buffalo when Mr. Eames was a student there, and his son was for several years an instructor in languages at Governor Dummer.

The presentation of athletic awards and letters followed the dinner. Edward J. Kelly, 2d of Newbury, captain of this year's team, received the Varsity Football Trophy as the most valuable member of the team. The Varsity Soccer Trophy, for that boy whose spirit, enthusiasm, and leadership contributed most to the success of the team, went to Jaroslav V. Cebe-Habersky of Manhasset, L. I., New York.

Varsity football letters were awarded to twenty-two players and two managers by Head Coach Arthur W. Sager, who spoke briefly on the season as a whole and on the superb spirit and loyalty of the team. Mr. Howard J. Navins, head soccer coach, also spoke and awarded letters to seventeen players and one manager of the varsity soccer squad. A full list of the awards will be found on page 11 of this issue.

The election of Robert F. Smythe, III of Marblehead as football captain for 1950 and John Gill of Santurce, Puerto Rico, as soccer captain was announced at this time.

At the close of the evening's program, Mr. Sager, director of the Academy Glee Club, led students and guests in singing Christmas carols.

### LECTURE SERIES ARRANGED FOR JANUARY AND FEBRUARY

Headmaster Edward W. Eames has announced a series of lectures for the winter term.

The series will begin on Friday, January 5, when Mr. Norman Harris of the Boston Museum of Science returns to South Byfield. Mr. Harris was formerly a teacher of Biology at the Academy and for the past two years has his own television show called "Living Wonders". Mr. Harris will speak on these "Living Wonders" and will bring animals and reptiles with him from the museum.

Mr. Harris will be followed by Robert Tristram Coffin, celebrated poet and Pulitzer prize winner, on January 19 and by Professor Dwight Salmon of Amherst College on February 2. Mr. Coffin will give readings from his poetry and Professor Salmon will speak on current affairs.

A special feature for baseball fans will be presented on Saturday, January 20, when the popular Red Sox catcher, Birdie Tebbets, will speak to the boys.

### GLEE CLUB OPENS SEASON IN CONCERT WITH WINSOR

The Governor Dummer Glee Club and the Choral Class of the Winsor School of Boston gave a joint concert in the new Alumni Gymnasium on Saturday evening, December 9. This was the first concert of the season for the Governors.

Among the selections sung by the combined clubs were *How Lovely Is Thy Dwelling Place* from Brahms' *Requiem*, *Good News* from Bach's *Christmas Oratorio*, and Darby's *'Twas the Night Before Christmas*.

The Governor Dummer Glee Club, directed by Mr. Sager, contributed Rodgers' *You'll Never Walk Alone*, Wilhousky's *Meadowlands*, and Bach's *Jesu, Joy of Man's Desiring* with violin obligato. William L. Bruni was soloist for the latter; he also played the *Violin Concerto in G Major* accompanied on the piano by John F. G. Clifford.

The Winsor Choral Class, directed by Miss Susanna McCreath, sang Vittoria's *Tangum Agnus* and Peerson's *Upon My Lap My Sovereign Sits*, together with some lighter selections.

## ACADEMY STUDENTS ATTEND CONFERENCE AT NORTHFIELD

Over the weekend of December 1-3 one hundred and thirty delegates from thirty preparatory schools gathered at the Northfield Hotel at Northfield for the annual meeting of the National Preparatory School Conference. Mr. Cleveland led a group of Governor Dummer delegates, including William Bridges, John Foshay, and Nat Merrill, to represent the Academy.

The conference formally began on Friday night by the Reverend James T. Cleland of Duke University who spoke on "The Gospel and Its Import." His talk, like the others at the conference, was followed by discussion groups of ten or twelve boys and later by an open forum with the whole conference participating.

On Saturday morning the Reverend William Webber of Union Theological Seminary spoke on "The Gospel and the City". Saturday afternoon was free for recreation and in the evening the Reverend Burt McLean spoke on "Religion in the Secondary School." His talk created a tremendous amount of discussion and was a source of great inspiration to those attending the conference.

The concluding summary talk was given on Sunday morning by the Reverend Mr. Cleland. After a service of worship directed by the Phillips Academy students, the conference broke up on Sunday noon.

## ADMISSIONS OFFICERS TALK TO ACADEMY BOYS

DICK SMITH '48 AWARDED

A book, bearing the plate of the Honorable James Bowdoin, is presented to every undergraduate who has maintained an "A" record throughout two consecutive semesters—only one such award, however, being made to any man in his college course.

SUNDAY NIGHT DISCUSSION  
GROUP LED BY MR. CLEVELAND

During the fall term Mr. Cleveland has been meeting with a group of boys who gather in the old kitchen of the Mansion House each Sunday night to discuss religion. Originally the group included fewer than a dozen boys by invitation; but so much interest developed that the group now numbers twenty-four. The purpose of the gathering is to discuss religion and its relation to the modern world and such topics as conversion, the difference between right and wrong, and the existence of God have provoked such interest that the discussion is often extended beyond the time limits.

On November 19 the Reverend John Crocker, Headmaster of Groton School, joined the discussion and helped to answer many of the boys' questions.

On the weekend of December 1-3 Mr. Cleveland, Nat Merrill, John Foshay and Bill Bridges attended a Northfield Conference sponsored by the National Preparatory School Committee. The theme of the conference was "The Bible—The Source and Strength of Faith." When the Governor Dummer delegates returned, their report to the discussion group showed enthusiasm for the classes in religion which other schools are inaugurating and for the inspiring talks about the Gospel and its relationship to community life which they had heard at Northfield.

Other guests were Mr. John W. Deering, father of Jack '47 and Robbie '49, Mr. Daniel O. S. Jennings and Mr. George W. Freiday, Jr., former members of the Academy faculty.

A very pleasant social hour preceded the dinner. At a brief business meeting during the evening Henry Payson was elected chairman of a committee of six empowered to make arrangements for annual or semi-annual meetings.

## EDITORIAL

There are few of the students now at Governor Dummer who are informed of the history of this school magazine or of the purposes of that publication.

Fifty-four years ago Governor Dummer first published a school newspaper. At that time it was called *The News*, but later the name was changed to *The Archon*, the Greek word for the chief magistrate or governor of ancient Athens. At times *The Archon* has been of newspaper size; at other times of book size; it took its present form in 1930. Copies of many of the old issues are preserved in the school memorabilia.

The purpose of *The Archon* has always been partially to furnish the students an introduction to journalism and particularly to provide the alumni and friends of the school with an accurate account of student activities and athletic contests. Over a thousand copies of each issue are mailed from the school, and the October issue is sent to nearly 1,500 alumni in addition to the regular mailing list. That *The Archon* is much appreciated by people outside the school is evidenced by the numerous complimentary and encouraging letters received by the editors.

In recent years the cost of printing and engraving has increased so sharply that

student subscriptions and advertising revenue have become inadequate to meet the cost of publishing. Last year the school contributed more than half of the total cost of the regular issues and the complete cost of the summer issue. N.A.F.

THE CHEERING SECTION ON MORSE FIELD

### SPIRITED RALLIES ROUSE INTEREST IN HOME GAMES

On the night of Friday, October 13, in the Lang Gymnasium, the school held its first rally on the eve of the Browne and Nichols game. Both the soccer teams and the football team were to play their first home games the next day. The rally opened with some singing led by Barry Lougee with some off-beat accompaniment by Mr. Manning. Then Mr. Mercer, with an eye on spring athletics, gave some unusual pointers on how to lower your scores in golf with such aids as invisible golf balls or "comfy" shoes.

The night before the Moses Brown game on November 4 another and very successful rally was held beside the new Alumni Gymnasium. The rally started with the roar of a cannon and spirited singing led by George McGregor. Football Captain Ed Kelly gave a little talk which was followed by more cheering and singing. Because it was a dry, windy night, the size of the bonfire had to be considerably diminished, but with a little coaxing, the smaller pile of branches burst into flames as the student body marched off to the chant of "Beat M.B."

### MORE BRIEFLY

The Dummer Allies held a meeting in the Cobb Room of the Phillips Building on Friday evening, November 10. Headmaster Eames was the speaker of the evening. Proceeds from the meeting, amounting to more than \$170, will be used for scholarship purposes. Refreshments were served.

#### DICK WALSH '46 ELECTED CO-CAPTAIN OF TUFTS TEAM

The Boston Sunday papers of December 3 carried an announcement that Richard L. Walsh, Jr. '46 had been elected Co-Captain of the Tufts football team for 1951.

Dick was a stalwart on the Governor Dummer teams of '45 and '46 and has been a regular on the Tufts team for two years.

---

#### LIGHTNING FOOTBALL TEAM, EXETER CLUB IN TIGHT GAME

On Wednesday, November 8, a small Exeter club fought gamely but were defeated 19-12 by the Governors in the Byfield bowl. The visitors made up for their smallness through spirit, and there were thrills as well as setbacks on both sides.

John Eveleth scored twice for the Governors, once by falling on a blocked punt in the end zone and the other time by receiving a pass. Dick Jepsen also hit pay dirt in this tilt.

---

#### J.V.'S BATTLE TABOR JUNIORS TO 1-1 TIE

In its last game of the season the Governors' J.V. soccer team tied a fairly strong Tabor Academy team on Saturday, November 11. A goal by Ed Dodge in the first period that gave the Governors their only point. The outstanding player was Hank McFarland, playing in the goal for the first time to replace injured Captain Charlie Brown.

---

#### PONIES IN OVERTIME TIE WITH BROOKS SOCCER TEAM

At North Andover on Wednesday, November 8, an undefeated pony soccer team played Brooks to a 2-2 tie in a very close game. Gardiner White scored for the Governors a few minutes after Brooks had scored; and Jack Bullard scored again in the same period to give the Ponies a momentary lead. Brooks scored again in the last period, and the resulting tie couldn't be broken in three five-minute overtimes.

## ASH EAMES '48 MAKES ALL- NEW ENGLAND SOCCER TEAM

Ash Eames, Captain of the Academy's '47 soccer team and now playing with the Amherst Varsity, has been named to the right inside position on the All-New England Intercollegiate Soccer Team.

Nominations to the team are made by the coaches of the teams in the New England Soccer League. Among the teams in the league are Yale, Harvard, Dartmouth, Amherst, Williams, and Wesleyan.

## SOCCER TEAM BATTLES TO WIN OVER MEDFORD HIGH

The Governors defeated what was probably the best team they faced all season when they beat Medford High School on Whipple Field Wednesday, November 8, by a score of 3-2. John Gill scored the first goal of the game on a penalty kick in the first quarter. Charlie Gesen, captain of the squad, scored again in the same period on a neatly placed corner kick from Champion. Medford came back in the second quarter with a goal by their right wing, and Mal Davidson kicked a very pretty goal for the Governors unassisted in the third quarter.

In the fourth quarter the Medford full-back blasted one from the outside to make the score 3-2. In the final minutes, Medford pressed constantly and threatened to score at any moment. The magnificent defensive play of Wig Robb, Jack Cebe-Habersky, and Dave DeFanti was a strong factor in the win.

## J.V. TEAM WINS FROM HAVERHILL HIGH J.V.'S

The Governor Dummer Academy J.V. football team registered its second victory of the season on October 18 by defeating the Haverhill High J.V.'s at Morse Field. The Governors broke into the scoring column on the first play with an end sweep by Dave Hicks.

Later in the first period the visitors evened the score by a long pass; but in the fourth quarter the Red and White clinched the victory on a long pass from Hicks to Morse. The final score was 13-6.

## SOCCER TEAM TIES TABOR IN THRILLING FINAL GAME

On Saturday afternoon, November 11, the Governor Dummer Academy and the Tabor Academy soccer teams battled to a 3-3 tie in the last game of the season. The teams were very evenly matched, and the play shifted frequently. Tabor scored the initial goal in the first period, but Captain Gesen evened the score shortly thereafter.

The big Red went ahead after changing goals on a pass from Bittner to Gesen. The Tabor team tied it up again in the third quarter on a pretty pass play.

In the fourth quarter John Gill scored for the Governors, and it looked like a victory for the Red until in the closing minutes of the game Tabor scored once more to tie it up 3-3. Two overtime periods failed to break the tie.

The Governors played well with Lougee, Robb, and Gesen turning in excellent games.

## GOVERNORS' SOCCER TEAM WINS AT ST. PAUL'S

On Wednesday, November 1, the Governors' booters traveled to Concord, New Hampshire, where they decisively defeated the St. Paul's School team, 6-2. The Governors controlled the play throughout the game and scored practically at will. The two fullbacks, Robb and Dunning, played perhaps the most outstanding games.

## TWO SAFETIES GIVE MOSES BROWN WIN OVER GOVERNORS

On November 4 at South Byfield the Governor Dummer football team was beaten in a tight battle with Moses Brown, 4-0. The game was played on a very muddy field and neither team was able to accomplish much on the offense. Moses Brown got its first two points when the pass from center went out of the end zone on an attempted kick by the Governors. A few plays later the visitors got another safety when Ed Kelly was tackled in the end zone as he attempted to pass.

In the closing minutes the Governors staged the strongest march of the game. A long pass by Kelly and a few running plays put the Governors in scoring position. Then Kelly passed to Smythe in the end zone, but the referee ruled that Smythe had stepped out of bounds as he caught the pass. Barry Gately was one of the outstanding players of the game.

## PARENTS SEE GOVERNORS TIE BELMONT HILL SCHOOL

The Governor Dummer football team played a 6-6 tie with Belmont Hill on Saturday, October 28, at Morse Field. The Governors controlled the ball most of the game and threatened to score several times. However, the Governors had one touchdown called back by an offside penalty and faltered several other times within their opponent's ten-yard line.

The Governor Dummer score came in the first period on a pass from Kelly to Murdock. Belmont Hill scored in the final period on a short pass which followed a long run. The game contained much action, and it thrilled the large Parents' Day crowd.

## MILTON COACH SHOWS MOVIES TO GOVERNORS

Coach Herbert J. Stokinger of Milton Academy visited the school on December 4 to show movies of the Milton-Governor Dummer football game to the football squads. The Governor Dummer players and coaches found the film interesting and instructive and were grateful to Mr. Stokinger.

## GOVERNORS BEAT BROOKS SOCCER TEAM IN RAIN

---

The Red and White soccer team gained its fourth victory of the season on November 4 by defeating the Brooks School at North Andover. The Governors broke into the scoring column early in the first period with a goal by Jack Cebe-Habersky. A few moments later he repeated the performance to give the visitors a 2-0 lead. Brooks retaliated with a single goal in the first quarter, and the period ended with the score 2-1.

During the remaining three periods the Governors kept control most of the time and scored two more goals, one by John Gill and the other by Cebe-Habersky. The final count was 4-1. Despite a driving rain, the game was fast and well played, providing plenty of thrills for the few loyal fans who braved the storm.

## C SQUAD DEFEATED BY ANDOVER J.V.'S

---

On October 25 Governor Dummer's C football team was defeated by the Andover J.V.'s at Andover. It was a hard-fought contest all the way through, but in the end Andover put those deciding points in the bag. The Governors' first score came on a twenty-yard run by Paul Steinberg. John Salinger split the uprights for the extra point and made the score 19-7.

Later in the game, David Reeves caught a beautiful pass by Dave Hicks and raced thirty yards to score. The try for the extra point was not good. In the closing minutes of the game Andover again scored, and the score remained 25-13 to the final gun. For the Governors, outstanding defense play was turned in by Tom King, Hugh Mehaffie, Bill Atwell, and many others.

## SOCCER J.V.'s LOSE TO GEORGETOWN TEAM, 4-2

---

On Tuesday, October 17, the junior varsity soccer team lost a hard-played game to Georgetown High School by a score of 4-2. Due to some good setups, Georgetown led the Governors 3-1 at the half.

The Governors' first goal came in the second quarter on a beautiful penalty kick by center George Moreau. Georgetown got in another goal early in the third quarter. From then on the Governors controlled the ball and held them scoreless. In the last quarter Windy Gale maneuvered the ball in front of the cage and in the scuffle George Moreau booted it in for the last goal of the game.

## STRONG TABOR ELEVEN OVERPOWERS GOVERNORS

---

Playing the last game of the season at Marion on November 11, the Governor Dummer football team met a strong Tabor team and went down to defeat. The Governors did not let up during the entire game, and Tabor gained very little on the ground.

Tabor's main strength lay in their ends and passers. It was in this way that they scored all but one of their touchdowns. The final score was 44-0.

During the last half Coach Sager substituted frequently to give boys who had not previously earned their letters a chance to play.

---

## J.V. AWARDS MADE AT ANNUAL THANKSGIVING CELEBRATION

---

The annual Thanksgiving program began with a pre-holiday turkey dinner in the festively decorated dining room. Later entertainment included an hour of movies in the Lang Gymnasium.

Feature event of the evening was the award of athletic letters to those teams below the varsity level. Weston F. Cowles presided at the special meeting in the Cobb Room, and the fall letters were given out by the respective football and soccer captains.

---

## SOCCER TEAM TRIUMPHS OVER WATERTOWN HIGH

---

The Governor Dummer soccer team won its second consecutive game on Parents' Day, October 28, on Whipple Field with a score of 5-1. Using a new line-up, the team showed more offensive strength and drove ahead to win on goals scored by Bullock, Gill, Cebe-Habersky, McCully, and Bittner.

On Monday evening, November 20, Mr. Sager spoke at the Community Chest Victory Dinner in Haverhill.

## TRAVER'S TROUTS, NAVINS' NIGHTHAWKS REACH FINALS

---

The annual volleyball tournament took on new zest this year because the new Alumni Gymnasium made doubleheaders possible. Thus each afternoon the master whose team lost the first game was able to vent his spleen in the second half of the double bill.

In the finals played on Friday, December 8, Traver's Trout, representing one league, and Navins' Nighthawks, representing the other, put on a spirited battle for the championship, the Trout finally taking the decision.

Mr. Stone's Sturgeons and Mr. Witherpoon's Widgeons were runners-up in the two leagues.

---

## WINTER SPORTS BEGIN ON DECEMBER TENTH

---

The winter sports program was inaugurated this year one week before the Christmas vacation. While little actual practice was possible, the extra week did permit the coaches to organize their squads and to look over their candidates; and it is hoped that more rapid progress can be made after the vacation.

---

## STORM CUTS OFF POWER, LENGTHENS VACATION

---

The big storm of the Thanksgiving weekend caused little damage to the Academy buildings and grounds; but it did great damage to the electric power lines, and the school was without light and in many buildings without heat until Monday afternoon.

Since cooking is also done by electricity, it was necessary to broadcast a notice that the Thanksgiving vacation would end on Monday night instead of Sunday night as planned. The great majority of boys heard the Headmaster's announcement over one or more of the radio stations that carried it; but about thirty-five unlucky students were already enroute or otherwise failed to hear the announcement and so missed the extra day of vacation.

Actual damage at the Academy was limited to a few small trees and a few shingles and slates from the roofs.

Craft traditions reaching back almost to the Pilgrims are part of the reason for TOWLE progress, but probably the chief reason is a certain soundness of design — patterns that wear well — that wear so well, in fact, that they become at once a proud possession and a beloved part of family life.
